DEBRAH

— Since 1996 —

Modern European & American Fusion Furniture

In 1996, DEBRAH's first furniture workshop was established at Guangzhou, China. For more than 26 years since then, we have been consistent in adhering to our legendary story. Every extraordinary product is made by outstanding craftsmanship, under a high standard quality control system, and an ever evolving distinctive design.

DEBRAH is a leader in the modern European and American furniture style, which make the brand exquisite and unique. Today, DEBRAH has grown into a high-end full line furniture brand with more than 800 employees in Asia, America and Europe. We own over 80 stores in China. Our products has marketed over 130 countries worldwide. The DEBRAH brand is favored by visionary high-end owners, and the users of DEBRAH are subtly shaping a whole new world.
